Action Taken:

1. To increase the alumni interaction with students to bring awareness about industry standards in the curriculum: Institute has organised various seminars of our esteemed alumni.
2. Organize Industrial visits for more practical exposure: Industry visits will be provided to strengthen the industry linkage.
3. Provide more internship opportunities: More internship opportunities will be provided to the students for career exploration, development and to learn new skills.
4. Specialization in HR is needed: This suggestion will be considered in the future revision of the curriculum framework.
5. Organize seminar on Fintech, Cryptocurrency and Metaverse: Interdisciplinary knowledge will be provided through organizing master classes.
6. Some students suggested to add skill-based Courses: Skill-based courses were introduced, based on industry standards.
7. Employers suggested that curriculum needs to be more industry oriented: In order to provide better industrial exposure, guest lectures from industry experts were conducted.
8. Curriculum will be updated regularly to coop-up with the changing needs of industry.
9. Stakeholders are satisfied with the curriculum. Efforts will be taken to maintain the same.
