On the 28th of August, the Department of B-Section organized a food distribution campaign outside near the railway station and streets from 2:00 pm onwards. The B-Section students actively participated and went to provide food to those in need. The drive aims to alleviate food insecurity which is a growing concern. The campaign successfully engaged with the community as the students distributed food to provide needed nourishment and support. The campaign not only addressed the increasing issue of food insecurity but also built a sense of camaraderie and compassion amongst the participants & recipients.
