Our students from B-Section on the 28th October 2024 participated in a heartwarming initiative by visiting the Vimaltidevi old age home, to spread the joy and warmth of the festival beyond the campus walls. The celebration was filled with laughter and stories as the students interacted with the residents creating an atmosphere of joy. The stories and smiles exchanged reminded everyone that the spirit of Diwali shines brightest when shared with others. Through the engaging conversations and smiles our students highlighted the importance of community. The visit not only brightened the day of both the residents and the students but also fostered lasting memories.
