NAGINDAS KHANDWALA COLLEGE
 (EMPOWERED AUTONOMOUS)
 Nagindas Khandwala College was established in July 1983. The College was conferred Empowered Autonomous College Status by University of Mumbai from Academic year 2023-24. The college offers twenty seven (27) Under Graduate Programmes, Fifteen (15) Post Graduate Programmes and has four (4) Research Centres. The College has been Re-accredited 'A' grade by NAAC (4th Cycle). It is ISO 9001:2015 certified.

Department of Economics
 The Department of Economics was established in 1983-84. Since 2007, the MA Economics programme was introduced. Our college won the Best College in Maharashtra award from SRAEF a research-based Institute from Chennai for conducting the Know Your Economy Competition (KYE). It is in the process of establishing a Research Centre.

Planning Forum
 The Economics Department conducts various subject related programmes under the aegis of the 'Planning Forum'. The activities conducted by the Forum are Quiz, Essay Writing, Elocution and Debate with the objective of developing a contemporary economic outlook among the student fraternity.

ARTH-UTSAV 2023
 ARTH-UTSAV 2023 is a one day inter collegiate Economics festival for both undergraduate and post graduate students. Through ARTH-UTSAV, we try to provide a platform to the participants to express their views on contemporary Economic issues. It aims at taking Economics out of the classroom and generating interest in the subject.

Theme: Digital Economy
 Preparing for a digital future India's Digital Economy is expected to surge more than fivefold to USD 1 trillion by 2030. The four pillars of Digital Economy are infrastructure, society, innovation and technology adaption and jobs. Digital citizens can enjoy rights of privacy, access and inclusion, security, freedom of expression and more. The Digital India Programme is a flagship programme of the Government of India with a vision to transform India into a digitally empowered society and knowledge economy. The digital economy refers to the economic system driven by digital technologies such as the internet and mobile devices. It encompasses activities like e-commerce, online advertising, and data analytics, artificial intelligence etc. which contribute to economic growth and innovation. It also has revolutionized global business operations by providing opportunities for growth and innovation.

General Rules

- All undergraduate and post graduate students can participate in the event.
- All participants must carry a proper college Card.
- All the participants must attend the welcome address.
- It is mandatory for all the prize winners to be present at the valedictory function.
- The decisions made by the judges shall be considered final and no disputes will be entertained in this regard.
- All the participants must register themselves by the link posted below.
