The orientation program for first-year students was thoughtfully organized to introduce them to college life and their respective academic fields. The orientation commenced with an address by the Principal ma'am on July 28th which was attended by both students and their parents. The session was very insightful which provided a warm welcome and gave clarity regarding the educational journey in college of the students in terms of vision and achievements. On August 2nd, specialized guest lectures were conducted simultaneously for FYBAF and FYBBI/FYBFM students. Where the session was conducted by CA Jigar Maroliya who delivered an insightful lecture on "Career Options in Accounting and Finance," offering guidance on the various career paths within these fields followed by a session by Mr. Zaheer Sayed who discussed "Financial Statement Analysis," equipping students with foundational knowledge crucial for understanding financial health and decision-making processes. Whereas, we also had Mr. Jeetender Peswani who presented "Demystifying Financial Markets," which provided students with a clear understanding of the financial markets and their significance in the global economy and Ms. Parinita Adukia who spoke on 'Building Personal Branding in College' which provided students a knowledge about how to start personal branding. The orientation concluded on August 3rd with the "Departmental Journey," where students were introduced to the B-Section. This session gave an overview of the department, its faculty, and the academic journey ahead, fostering a connection between the students and their chosen fields.
