Report

Soft skills play a very crucial role in the educational world. Globalization and industrialization have impacted several fields including education. The need of the hour is to hone the life skills and communicative skills among the students, imperative for the professional development. Hence, soft skills development has become an integral part in the professional life. There is need for a new perspective of communication and the growing need to show more and varied set of soft skills at the workplace. So, we organized Soft Skills Development Programmes in our College. Aims and objectives of this programme were to enhance communicative skills, to develop interpersonal skills, to promote people skills and last but not least to develop professional skills.

In view of the preceding exposition, Department of English and NSS Unit (B-28) organised Soft Skills Development Programme on 1st, 2nd and 4th February, 2019 (A.Y 18-19). The response to the programs was overwhelming amongst the vernacular students.

In the Academic Year 19-20, Soft Skills Development Programme was conducted from 24 February to 26 February, 2020. In order to give vernacular students cutting edge in this highly competitive and sophisticated world, this Soft skills Development Programme was organised. Expert talks on Presentation Skills and Techniques, Connecting with People, Body Language and Listening Skills, Competitive Examinations, How to Prepare for Examinations, English Fluency, Social Skills, Fluency in English, Connecting with People etc. were organised.
