The fresher party at Water Kingdom was a huge success, providing a fun and relaxed atmosphere for junior students to interact with their seniors and peers. The event helped build connections and created memories that will last a lifetime. Special thanks to the senior students for organizing the event and making it a memorable experience for all. The event saw a great turnout of junior students, who were excited to meet their seniors and enjoy the water park activities. The icebreaker games and team-building exercises helped break the ice and encouraged bonding among the students. The lunch and refreshments provided were delicious and appreciated by all.
