PREAMBLE

I/we, at Khandwala College, strive hard to provide all necessary administrative support to the students and teaching staff to achieve quality education, share trust and responsibility for the highest ideals of professional service and the highest degree of ethical conduct.

DIFFERENTLY ABLED (DIVYANGJAN) FRIENDLINESS, BARRIER FREE FACILITIES IN THE CAMPUS

Nagindas Khandwala College since its inception believes in holistic development of its students including those with disabilities. The College strongly believes in creating an inclusive teaching and learning environment with unbiased treatment for disabled students. All the programmes and activities are accessible by disabled students. All the authorities and teaching faculties of the institute are endeavouring to extend a helping hand towards the differently abled students to make sure about the overall growth of disabled students through education.

TYPES OF FACILITIES

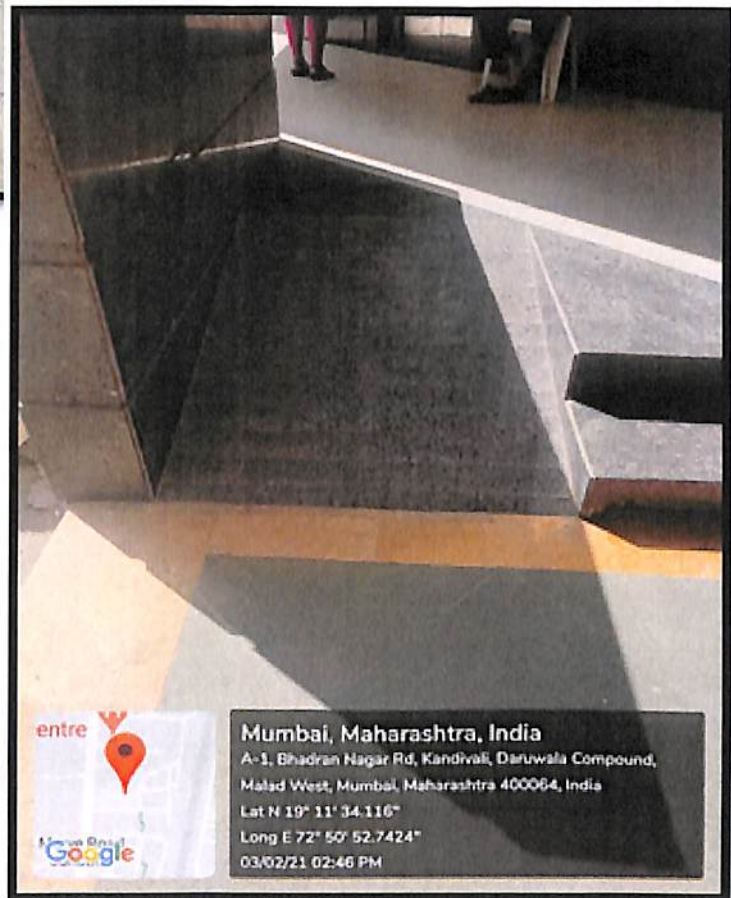

- Ramps to access to lift in all wings of the college.
- Classroom allotment on ground floor on preferential basis for regular lectures and during examinations.
- Disabled friendly washroom.
- Provision of writers during Examinations.
- Other facilities are provided time to time as per government rules.
- Students are sensitised on their duty as a classmate towards disabled students during orientation.
- Staff are trained to assist persons with disabilities, including persons with learning disabilities.
