### **Description:**

The Green Club of Nagindas Khandwala College is a dedicated group focused on environmental awareness, sustainability, and fostering a green community. Through various initiatives, such as tree plantation drives, waste management activities, and educational events, the club aims to instil eco-friendly practices among students and promote a culture of environmental responsibility. By organising competitions, workshops, and other events, the Green Club actively engages the college community in initiatives that contribute to a more sustainable and environmentally conscious lifestyle. Their efforts reflect a commitment to creating a greener and healthier campus environment. #SustainabilityEfforts
