

E-waste Collection Drive

The Department of Banking & Finance organized an E-Waste Collection Drive on July 19, 2024, from 11:00 a.m. to 1:00 p.m. in the college campus. The students, teaching staff, and non-teaching staff participated in it by bringing e-waste from their homes and depositing it in designated bin. This initiative aimed to promote environmental awareness and reduce pollution. The drive successfully engaged the college community in a meaningful activity, highlighting the importance of proper e-waste disposal and fostering a commitment to sustainability among students and staff alike.

Food Distribution Drive

On the 28th of August, the Department of Banking and Finance (B-Section) organized a food distribution campaign outside near the railway station and streets from 2:00 pm onwards. The B-Section students actively participated and went to provide food to those in need. The drive aims to alleviate food insecurity which is a growing concern. The campaign successfully engaged with the community as the students distributed food to provide needed nourishment and support. The campaign not only addressed the increasing issue of food insecurity but also built a sense of camaraderie and compassion amongst the participants & recipients.

Visit to Old Age Home

The B-Foundation students of department of Banking & Finance recently visited the Sai Senior Citizens Caring Foundation, where they engaged in meaningful interactions with the senior citizens. During their visit, the students organized a variety of activities and entertainment to bring joy and companionship to the senior citizens. They also donated essential supplies and food grains to support the foundation's efforts. The experience fostered a sense of community and mutual respect between the young and elderly.

Energy drinks distribution to bus conductors and bus drivers:

The B Foundation organized the Energy Drink Distribution to Conductors and Bus Drivers on September 6, 2024, from 12:30 p.m. to 1:30 p.m. at poisar depot and malad depot. The students distributed the energy drinks to the bus conductors and drivers who help us reach our destination quickly and daily. The sole purpose for distributing these drinks was to motivate and energize the drivers and conductors who work rigorously in this blistering heat. We thank them for their dedicated hard work and commitment to make our journey comfortable, fast and safe.

Beach Clean Up Drive: On 6th October 2024, our students of B-Section participated in a beach clean-up drive at Juhu beach, taking steps towards a cleaner and greener future. The students showcased their dedication to cleaning the environment and worked together to pave the way for the future. The event focused on removing litter from the beach to protect marine life and preserve the natural beauty of the coastline at Juhu. The students worked tirelessly showcasing a spirit of teamwork as well as responsibility. Their actions highlighted the importance of taking efforts today, to shape a better tomorrow. Through this drive our B-Section students set an example of how every piece of contribution helps make a big impact in the large scale of things.

Diwali Celebration with N.L. High school students

On 25th of October, 2024 the students of B-Foundation celebrated Diwali with the school students at NL Extension. Diwali being the celebration of light over darkness, knowledge over ignorance, team B-Foundation aims to lighten up the students with sharing, gifting, and caring for them. Celebrating Diwali with them by sharing experiences, insights, providing gifts and wishing for their well-being, B-Foundation wishes Happy Diwali to the students at NL Extension with prosperity and bright prospects.

Visit to Old Age Home

Students of B-Section on the 28th October 2024 participated in a heart-warming initiative by visiting the Vimaltidevi old age home, to spread the joy and warmth of the festival beyond the campus walls. The celebration was filled with laughter and stories as the students interacted with the residents creating an atmosphere of joy. The stories and smiles exchanged reminded everyone that the spirit of Diwali shines brightest when shared with others. Through the engaging conversations and smiles our students highlighted the importance of community. The visit not only brightened the day of both the residents and the students but also fostered lasting memories.

E-Waste Collection Drive: On 7th December 2024, the B-Foundation of Department of Banking and Finance successfully organized an impactful E-waste collection drive aimed at promoting environmental sustainability. This initiative encouraged students to responsibly dispose the electronic waste, fostering a sense of accountability towards the environment. This activity not only emphasized the importance of reducing e-waste but also highlighted the role of individuals in creating a cleaner and greener future. The activity served as a powerful reminder of the collective effort needed to protect our environment.

Juhu Beach Clean Up Drive: On Sunday, 15th December 2024, the Department of Banking and Finance, through its B-Foundation Committee, organized a successful Beach Clean-up Drive at Juhu Beach. This initiative aimed to go beyond just cleaning the beach—it was a powerful statement about environmental responsibility and sustainability. Armed with gloves, bags, and a shared sense of purpose, the students worked tirelessly to remove plastic, litter, and debris that threatened the beauty of the beach and the well-being of marine life. Their efforts not only cleaned the beach but also inspired others to take responsibility for the environment. This beach clean-up was a reflection of the B-Foundation’s core values—community engagement, environmental stewardship, and proactive leadership—showing that small actions can indeed lead to significant change in protecting our planet’s natural resources.

“Trying to make every wave cleaner than the last!”

Christmas Celebration with School Kids at NL High School: The **Department of Banking and Finance (B-Foundation)** organized *Christmas Celebration with School Kids* on **23rd December 2024 at NL High School, Malad (East)**. The event brought joy and warmth as the team celebrated the festive season with the spirited children, whose smiles illuminated the true essence of Christmas. Filled with engaging activities and heartfelt interactions, the celebration was a memorable blend of laughter, kindness, and togetherness. The B-Foundation successfully spread holiday cheer, creating bonds and memories to last a lifetime. This initiative reflected the Foundation’s commitment to giving back and making the festive season truly magical for the community.

“B-Section Committee – Determined to bring a smile to every face this Christmas!”

“There is nothing that brings more joy than seeing a sparkle in these kids eyes”

E-Waste Collection Drive:

On January 10, 2025, B-foundation committee of the Department of Banking and Finance (B-Section) in association with IQAC organised a successful E-Waste Collection Drive on campus from 12 to 1 PM. The event aimed to raise awareness about sustainability, reduce pollution, and promote eco-friendly practices. Students participated enthusiastically, bringing unused and discarded electronic items for proper disposal in designated bins. By encouraging responsible e-waste management, the drive showcased how small, united efforts can create a significant positive impact on the planet, leaving a lasting message about sustainability.

Small steps, Big change

Disposing today, for a better tomorrow

E-Waste Drive Collection Drive

The committee members of B-Foundation successfully conducted an E-Waste Drive Collection on 21st February 2025, promoting sustainable disposal of electronic waste. With an aim to create awareness about responsible e-waste management, students actively participated by donating old gadgets, batteries, and electronic items. The collected e-waste will be sent for proper recycling, ensuring minimal environmental impact. This initiative reflects the committee's commitment to environmental sustainability and responsible waste management.
