Activity	On 11th September 2026, the Department of Geography & Department of Geoinformatics organized an WRC-ICSSR Sponsored One-Day Seminar on Applications and Development in Geospatial Technology with Special Emphasis on Drone Technology . The Seminar provided students with valuable insights into the applications and advancements of geospatial and drone technologies. The event was informative and enriching for all participants.

The poster features a blue background with two drone images at the top corners. It includes logos for the Western Regional Centre (WRC) of the University of Mumbai and MKES Khandwala College. The text identifies the event as a WRC-ICSSR sponsored seminar on geospatial technology, organized by the Department of Geography and Geoinformatics. It lists three resource persons with their photos and titles: Dr. Sumant Autade, Dr. Chandani Bhattacharjee, and Shri. Dnyaneshwar Bombe. At the bottom, it provides the date and time (11th September 2026, 10am onwards), the venue (College Auditorium), a QR code to register, and contact information for Dr. Amrita Aggarwal and Asst. Prof. Ashley Fernandes.
