E-Waste Management Awareness Campaign

An e-waste management awareness campaign was conducted at Nagindas Khandwala College on 11th of July 2023. This initiative aimed to create mass awareness about the importance of proper e-waste disposal and its impact on the environment.

The rapid expansion of technology means that a very large amount of E-waste is created every minute. This campaign was a commendable initiative undertaken by the college. It showcased the college's commitment to environmental sustainability and its role in shaping responsible citizens. The success of the campaign was further enhanced by the voluntary contributions made by both teachers and students.

The e-waste management awareness campaign was a remarkable success. It achieved its objectives by creating mass awareness about the significance of proper e-waste disposal and influencing positive changes in the day-to-day lifestyle choices of the college community. The voluntary contributions from teachers and students were instrumental in making the campaign impactful.
