ARTH-UTSAV

ARTH-UTSAV 2024 is a one-day inter-collegiate Economics festival for both undergraduate and postgraduate students. Through ARTH-UTSAV, we provide a platform for the participants to express their views on contemporary Economic issues. It aims to take economics out of the classroom and generate interest in the subject...

THEME: GEOPOLITICS AND GLOBAL ECONOMY

Geopolitics has emerged as one of the key risks globally, impacting the trade, investment, supply chain and economic growth of different economies. Emerging countries' tensions have impacted trade flows and built protectionist barriers. Understanding the short-to-long-term effects of trade wars on businesses, industries, and the global economy is essential. Proactive policies should be adopted by the policymakers to ensure amicable resolution in springing back economy into steady-state mode"

General Rules:

- All undergraduates and postgraduate students can participate in the event.
- All participants must carry a proper college ID card.
- All participants must attend the welcome address.
- It is mandatory for all the prize winners to be present at the valedictory function.
- The decisions made by the judges shall be considered final and no disputes will be entertained in this regard.
