

## Department of Computer and Information Science

**Date of Event: 26<sup>th</sup> to 31<sup>st</sup> July 2023**

**Time: 7:00 – 10:00 am**

**Venue: C Wing 501**

**Title: Orientation Program**

The college's Orientation Program for first-year students was an informative and engaging event held on 26<sup>th</sup> to 31<sup>st</sup> July 2023. The program commenced with an examination briefing, providing essential guidelines and schedules for upcoming assessments, ensuring students were well-prepared for their academic journey.

A highlight of the day was a motivational talk titled "Discover Your Potential" by Mr. Satish Bendre, a renowned speaker in the field of personal development. Mr. Bendre inspired students to harness their strengths, set ambitious goals, and persevere through challenges, setting a positive tone for their college experience. Following this, students were introduced to various clubs and extracurricular activities available on campus. Representatives from each club shared their objectives and upcoming events, allowing students to explore their interests beyond academics.

The Orientation Program also featured a parent address by the principal, emphasizing the college's commitment to holistic education. The principal highlighted the importance of communication between parents, students, and the institution, fostering a collaborative environment for student success.

In conclusion, the Orientation Program provided first-year students with valuable insights into academic expectations, personal development, and extracurricular opportunities. It effectively set the stage for a well-rounded and enriching college experience.

The poster features the MKES logo at the top left and the college name and accreditation details at the top right. The central text reads "DEPARTMENT OF COMPUTER AND INFORMATION SCIENCE organizes Orientation Program FOR FY STUDENTS". Below this, it says "Launching pad for an enriching college tenure" and "26 - 31 JULY 2023 | 7AM-9AM COLLEGE CAMPUS". The background includes a laptop keyboard, a pencil, and a notebook.
