GUEST LECTURE BY IDP

“It is better to travel well than to arrive.”

— Buddha

On 16th January and 18th January 2024 IDP conducted a session where they spoke about overseas education and guided our students on how to pursue it. It was a good opportunity for our students to learn about the prospects of studying abroad and receive valuable advice on the application process, scholarships, and other important aspects. IDP also trained our students in writing their Statement of purposes' for abroad studies.
