

**ATKT/Backlog Examination April-2021**

**IMPORTANT NOTICE**

**Dated: 30-03-2021**

Dear Students,

**General Instructions:**

Students should check their email box **every day**, as they may get email message any time from subject teachers, regarding conduct of external and internal **ONLINE** examination on Google Platform.

External examination will be as per the **Time Table** and, internal examination **schedule** would be announced by the respective subject teachers through email.

Students, who have registered will get email message from subject teachers where they are failed either in internal or external in the concerned subjects.

Instructions given by the subject teachers from time to time via email, students have to follow them immediately without any delay.

(Check out with other students of same class and subject, whether they have received email or not from concerned subject teachers)

Students must be in contact with other students, who are appearing for the same subject examination to share the necessary information.

In case, if other students have received the email message and if any one of you have not, then immediately contact the subject teacher concerned, through Whatsapp or Mobile Number without any further delay)

Keep your device ready with very good internet connection and 100% Battery Charge.

---
