### **DRY LEAVES COLLECTION DRIVE**

**Date:** 23<sup>rd</sup> & 24<sup>th</sup> January 2025

**Venue:** Room No 18

**No. of Participants:** 73

#### **Description:**

The Green Club organized a Dry Leaves Collection Drive to promote eco-friendly waste management and sustainable practices. The initiative aimed to prevent the burning of dry leaves, which contributes to air pollution, and instead encouraged composting as a natural recycling method. Participants collected dry leaves from various locations and deposited them at designated drop-off points. This drive not only helped in waste reduction but also raised awareness about the importance of responsible disposal. Through this initiative, the Green Club reinforced its commitment to environmental conservation and sustainability.

**DRY LEAVES  
COLLECTION DRIVE**

Dry Leaves Aren't Waste, They're Potential—Help Us Recycle!

**DATE: 23RD & 24TH JANUARY, 2025**  
**TIME: 12:00 PM - 1:00 PM**  
**VENUE: ROOM NUMBER 18**

The brochure features an illustration of three people (two men and one woman) collecting dry leaves into a bag. In the foreground, a woman is shown putting a bag into a green recycling bin, and a man is walking towards it. The background shows a stylized landscape with green hills and a brown ground. The text is centered and uses a mix of bold and regular fonts. The MKES logo is in the top left, and the Green Club logo is in the top right.
