Green Club

Organizes

E-WASTE COLLECTION DRIVE

Date: 31st January 2025

Venue: Law Building, Room 507

No. of Participants: 110

Description:

The Green Club organized an E-Waste Collection Drive to promote responsible disposal of electronic waste and encourage recycling. The initiative aimed to prevent harmful environmental impacts caused by improper e-waste disposal, such as soil and water contamination. Participants were encouraged to bring discarded electronic items, including old gadgets, batteries, and cables, to designated collection points. The collected e-waste was handed over to authorized recycling facilities for proper processing. This drive helped raise awareness about sustainable e-waste management and reinforced the Green Club's commitment to environmental protection.
