Organizes

BEACH CLEAN-UP DRIVE ON OCCASSION OF INTERNATIONAL COASTAL DAY

Date: 18th September 2024 and 21st September 2024

Venue: Juhu Beach and Gorai Beach

No of Participants: 87

Description:

Nagindas Khandwala College's Green Club organizes Beach Clean-up drive Beach cleaning is a vital activity that helps preserve the beauty and health of our coastlines. By removing trash and debris from beaches, volunteers and communities can make a significant impact on the environment. Plastic waste, in particular, is a major concern, as it can harm marine life, contaminate the food chain, and even affect human health. Regular beach cleanups can help reduce the amount of waste that enters the ocean, protect marine habitats, and promote a sense of community and environmental stewardship. Moreover, beach cleaning events can also raise awareness about the importance of proper waste disposal, recycling, and sustainable practices, inspiring individuals to make a positive impact on the environment.
