**Title: The Creative Edge Contest**

**Date of Event: 12<sup>th</sup> December 2024**

**Time: 12:00 – 1:00 pm**

**Venue: 506(C-Wing)**

The **Creative Edge Contest** held on 12th December 2024 at 12 noon challenged students to design innovative, eco-friendly products using sustainable materials while avoiding plastic. The event emphasized creativity, sustainability, and the feasibility of scalable green solutions, promoting environmental conservation and responsible consumption.

The poster features a central illustration of eco-friendly products like paper cups, bamboo straws, and reusable bottles, surrounded by green leaves and recycling symbols. Text on the poster includes 'NO PLASTIC', 'CREATING GREEN', and 'CREATING RECYCLING USING PRODUCTS NO PLASTIC'. The event details are listed at the bottom.
