

## Incubation Cell

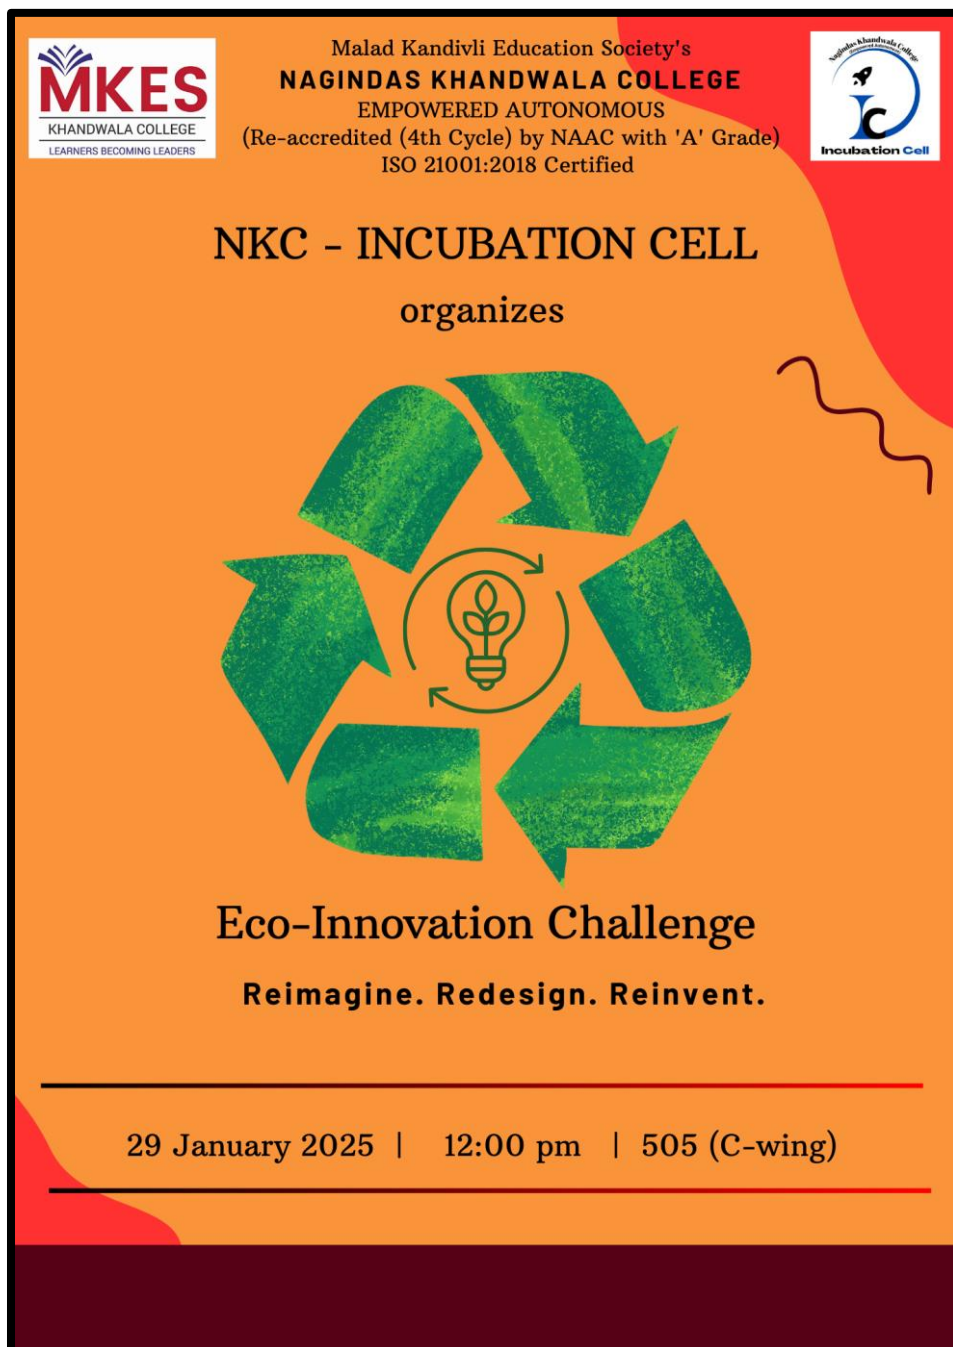

**Title: Eco-Innovation Challenge**

**Date of Event: 29<sup>th</sup> January 2025**

**Time: 12:00pm onwards**

**Venue: 505 (C-wing)**

The Eco-Innovation Challenge, held on 29th January 2025, encouraged students to develop sustainable and innovative solutions addressing environmental challenges. The event fostered creativity, problem-solving, and a commitment to eco-friendly initiatives.

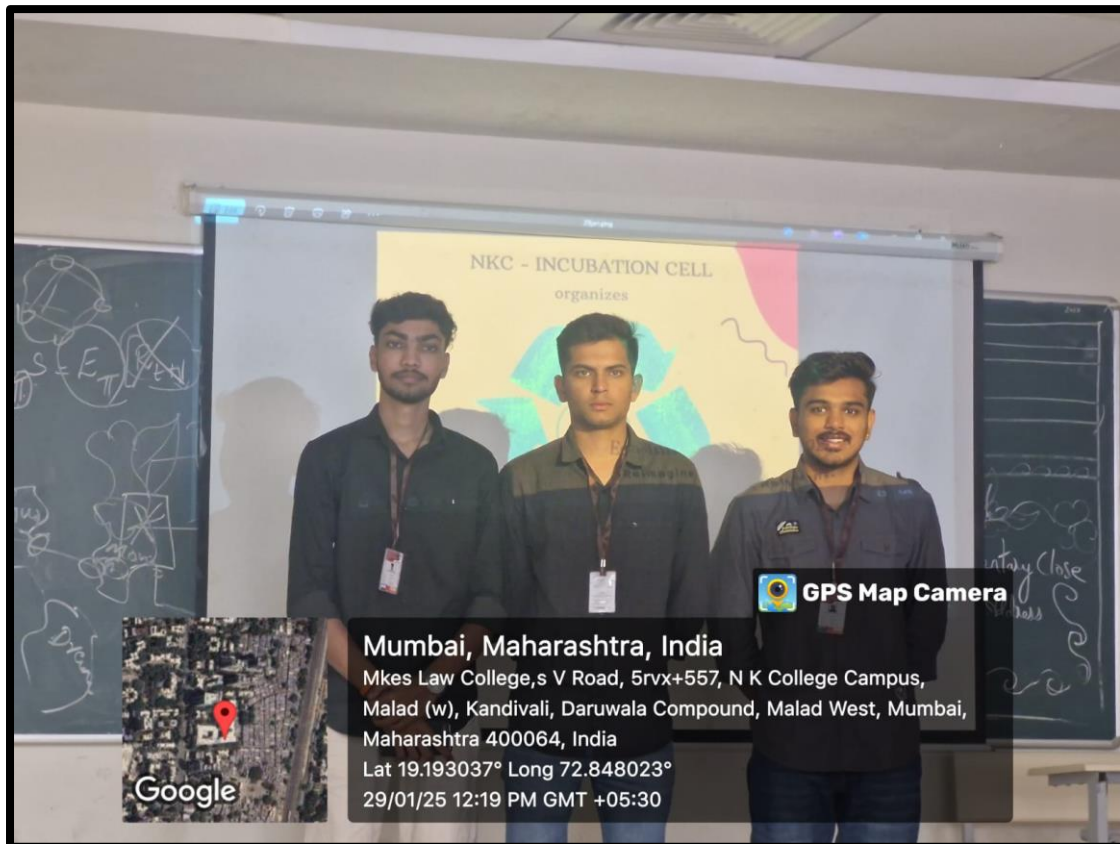

The poster features a central graphic of a green recycling symbol with a lightbulb inside, symbolizing eco-innovation. The background is orange with a red wavy line on the right side. Logos for MKES and the Incubation Cell are in the top corners. Text at the top identifies the college and its accreditation. The main title and slogan are prominently displayed in the center, and the event details are at the bottom.
