Pledge on International Anti-Corruption day.

On December 9th, 2023, Students of NK-B Section took initiative to make their peers and teachers realize the importance of having highest level of integrity and following ethical standards both in their personal and professional endeavors.

This was done by visiting the classrooms and staffroom and requesting the students and teachers to take a Pledge which was framed by students committee with the guidance of teachers.

The Pledge read as follows-

Good Morning to everyone present here In honor of International Anti-Corruption Day today, we, the Department of Banking and Finance would like to acknowledge the widespread effects of corruption on our economies and societies. Corruption erodes confidence, stops development, and keeps inequity alive. This day acts as an indication that it takes a community to battle corruption. Together, let's pledge against corruption.

1. I pledge to uphold the highest standards of honesty and integrity.
2. I pledge to never accept or offer bribes under any circumstances.
3. I pledge to perform all tasks transparently and honestly.
4. I pledge to lead by example, demonstrating personal conduct with integrity.
5. I pledge to report any instances of corruption encountered to the best of my abilities
6. I pledge to adopt a zero-tolerance stance against corruption.
7. I strive to live with honesty and integrity to the best of abilities.
