

Mangrove Observation (World Nature Conservation Day)

Data	27.07.2026
Time	12.45 pm
Venue	Marve Village, Malad (W)
Organization	Department of Geography and Geoinformatics
Participants No	25
Activity	On. 27 th July 2026 The Department of Geography and Geoinformatics organised Mangrove Observation Visit. The visit helped students observe the importance of mangroves, understand their ecological role, and gain practical knowledge about coastal biodiversity and conservation through field-based learning.

Flyer

The flyer features a background image of a mangrove tree with its roots in the water. The text is centered and includes the college name, department, and event details.
