PLANNING FORUM

The Economics Department conducts various subject related programmes under the aegis of the 'Planning Forum'. The activities conducted by the Forum are Quiz, Essay Writing, Elocution and Debate with the objective to develop contemporary economic outlook among the student fraternity. Forum also organizes National and State level seminars, and invites speakers from industry to deliver lectures on Economics related issues. Our students have also been winning prizes at various Economics related inter-collegiate competitions.

ARTH-UTSAV, 2018

Economic concepts and language are widely used in many professions to analyze everything from environmental pollution to political turmoil. Thus, the idea behind Arth-Utsav is to generate knowledge about economic concepts and recent issues, among the students. Arth-Utsav, 2018 is the 8th year of the event. It was initiated in the academic year 2011-2012 successfully. Through Arth-Utsav, we try to provide a platform to the participants to express their views on contemporary Economic issues.

THEME - CHALLENGES FOR INDIAN ECONOMY

Since 1991 Indian economy has thrived hard for improving its pace of development. Notably in the past few years the cities in India have undergone tremendous infrastructure up gradation but the situation is not similar in most part of rural India. Similarly, in the realm of health and education and other human development indicators India's performance has been far from satisfactory, showing a wide range of regional inequalities with urban areas getting most of the benefits. In order to attain the status that currently only a few countries in the world enjoy and provide a more egalitarian society to its mounting population, appropriate measures need to be taken.
