RAKHI SALE :

On the 4th, 5th & 8th of August, 2022, students of NKare organized Rakhi stalls within the campus, to fund the education fees of some students of NL school adjacent to the campus. The enthusiasm, the dedication with which the students at the stall made sure to lure students in, be it some sincere request to check it out once or convincing them to buy as it was for a social cause, they gave their heart and soul in it. That satisfaction on their faces after making the students help the cause was worth every penny

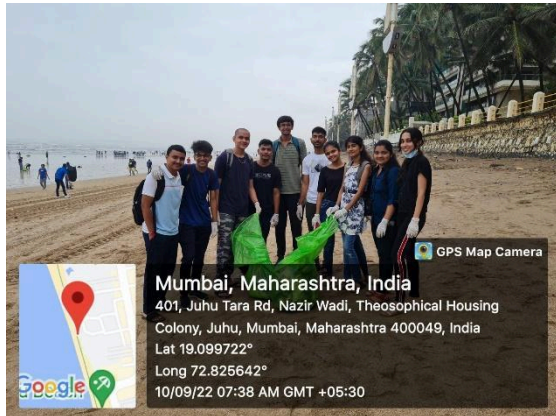

BEACH CLEAN UP DRIVE:

Just at the rise of the sun on 10th September 2022, NKARE students reached the Juhu beach in Vileparle. Our main goal was to lend a hand to clean the debris and wastes accumulated near the sea after the celebration of the Ganesh Chaturthi festival. Alumni Sabhya Surana guided us throughout the day

It was a big task. But as it is said, there is more strength in unity, we pulled up. It took almost 2 hours jointly to re-establish the scenic beauty which was worth it. To our surprise, celebs like Parineeta Chopra and Anupam Kher joined in too for the cause!

The cherry on the cake was when hours later, PM Shri Narendra Modi tweeted, appreciating everyone's efforts to clean the beach

STATIONARY DRIVE:

On the 6th of September, students of NKare came together once again to prepare for one of their events. This time, it was them being generous towards the children of the NL School right beside their college

Surrounded by dozens of books and pencil boxes, along with other stationary like scales, crayons, erasers, sharpeners; they did their best to form nearly 250 such stationary kits.

On the 12th of September, students of NKare along with their respected teachers conducted the distribution of kits which were prepared.
