

NKare Social Cell Report for Academic year 23-24

Academic year 2023-24 was quite an eventful year for NKare Social Cell. The cell, that aims to spread awareness about the social issues prevalent in the society, created social, environmental and cultural awareness and brought smiles to many needy people in society through their various events.

Awareness lectures for school students

On 21st July 2023, the cell conducted two awareness sessions for the Class IX students of N.L. High School on pressing issues commonly experienced among teenagers. The convenor of the cell, Asst. Prof. Mrs Gargi Dubey and faculty in-charge Asst. Prof. Mrs Sheital Desai conducted a lecture for the boys on ill-effects of smoking whereas faculty in-charge Asst Prof Mrs. Kavita Rana took the class for girls on menstrual hygiene. 115 students attended the lectures that was executed simultaneously.

Rakhi sale by students

Ahead of the festival of Raksha Bandhan, the students who are a part of the cell conducted Rakhi sale on 22nd August 2023. The students put up stalls at various places in college and sold rakhis of various designs. The amount raised from the sale was used for charitable activities conducted by the Social Cell. About 34 students participated for the event.

Guidance lecture on Feminine Hygiene

The cell also organized a guidance lecture on feminine hygiene in collaboration with Proctor & Gamble for female students in the college campus on 28th August 2023. Students were shown videos on feminine hygiene and grooming. They also received a hamper from the company in the end which was cherished by all attendees. More than 100 students attended the event.

Stationary Distribution Drive

To spread cheer among the primary students of N.L. High School, a stationary drive was organized on 15th September 2023 where the Vice Principal Prof. Dr. Mona Mehta, faculty members and students joined for the event. Stationary packets were distributed among the

primary school students by the Prof Dr. Mona Mehta and the team along with student volunteers. Total 234 packets were distributed.

Tree Plantation Drive

Doing their bit to conserve the environment, student volunteers also organized a tree plantation drive on 18th September 2023 at Chacha Nehru Udyan, near Liberty Garden in Malad West. 25 students participated in the event. About 20 plants were planted during the drive.

Beach Clean-up drive

The student volunteers also organized a beach clean-up drive on 29th September 2023 at Juhu Chowpatty. 22 students enthusiastically participated in the drive which gave them a first-hand experience on cleanliness and waste management in beaches. The drive helped them understand the gravity of the threat wastes on beaches pose on marine and coastal environment.

Orphanage visit

With the intention of spreading joy, our student volunteers paid a visit to the Caring Hands orphanage to celebrate Christmas with the children on 22nd December 2023. Around 16 students volunteered for this visit in which they also donated stationary and clothes to the children of orphanage.

Muskaan 2024

Nkare Social Cell marked the end of the academic year with a bang with the cell's eco-fest Muskaan 2024 on 12th and 13th February 2024. The first day of fest saw 33 students participating in the competitions organized, such as Mandala Art, Poster making and debate to name a few. A seminar was organized on the second day of the fest in which TEDx speaker and Ambassador of Jal Jeevan Mission, Government of India, Dr. Subhajit Mukherjee and Environment Influencer, Environmental Researcher and CSR Consultant Devangana Lashkary graced the event as our guest speakers. The speakers sensitized the audiences with the importance of water conservation and living a sustainable lifestyle.

Blood Donation Drive with Leo Club

One of the last events conducted by the cell was a blood donation drive, organized in association with the Leo Club on 18th February 2024. 53 people participated in the drive.
