NKARE SOCIAL CELL

Annual Report for Academic Year 2024–2025

Introduction

The NKARE Social Cell is a dedicated student-led initiative focused on uplifting communities through impactful social work and fundraising activities.

Our cell strives to create positive change by organizing events that promote social awareness, environmental sustainability, and community welfare.

From fundraising through thoughtful sales to hands-on activities like beach cleanups and blood donation drives, our mission is to inspire students to become proactive changemakers.

Every event we conduct is a step towards building a more compassionate and connected society, where collective efforts lead to lasting impact.

Following events are conducted for the year 2024-2025

1) Blood Donation Report

The NKARE Social Cell, in collaboration with Leo Club had organized Blood Donation Drive on 3rd August 2024 at Nagindas Khandwala College, Malad (West). Our social cell successfully conducted a blood donation drive with enthusiastic participation of around 50 students and teachers. Many volunteers stepped forward, and we collected a significant amount of blood, which was donated to a local blood bank to help patients in need. The event showcased the spirit of unity and compassion, highlighting the importance of giving back to society. The collected blood will help patients in need,

making a direct impact on saving lives. This initiative was a step towards helping society and promoting social responsibility.

2) Rakhi Sale Report

The Rakhi Sale organized by NKARE Social Cell on 12th, 13th, 14th of August at the college campus was a vibrant and successful event. The stalls were buzzing with excitement as both students and teachers enthusiastically bought Rakhis and chocolates for their loved ones. The event not only added to the festive spirit but also showcased the creativity and dedication of the organizing team.

The wide variety of beautifully crafted Rakhis and delightful chocolates drew significant attention of college students. Many students actively participated, making the event lively and successful. The response was overwhelming, and everyone enjoyed being part of the initiative.

3) Poster Making

The Poster Making event conducted on 12th of September 2024 in the college campus on the topic “**Save Women**” organized by NKARE Social Cell was a successful and impactful initiative. The event aimed to raise awareness about women’s rights, safety, and empowerment through creative expression. A large group of students participated, showcasing their artistic talents to convey powerful messages on the importance of saving and supporting women in society. The event saw a good number of participants, each showcasing unique perspectives through their posters. It was a successful event that highlighted important social issues and encouraged meaningful discussions. The enthusiasm and dedication of the participants made the event even more special. It helped spread awareness and inspired students to contribute to social change.

4) Plantation Drive

The Plantation Drive organized by NKARE Social Cell on 6th September 2024 at BMC Garden Malad (West), was a meaningful initiative to promote environmental sustainability. Students and faculty actively participated in and highlighted the importance of collective efforts in preserving nature and left the campus looking more vibrant and green. Students actively participated by planting saplings and taking responsibility for their care. The event saw a great turnout, with participants showing enthusiasm and dedication to the cause. It was a successful event that

encouraged eco-consciousness and teamwork. The drive helped beautify the area and contributed to a healthier environment. Overall, the event inspired everyone to take small steps toward protecting nature.

5) Beach Clean-Up

The Beach Cleanup organized by NKARE Social Cell on 18th September 2024 at Juhu Beach after the Ganpati Visarjan was a highly successful initiative with participation of 30 students. The event aimed to clean the beach and remove the waste left behind during the festivities. A large group of students participated in the drive, working together to collect various types of waste, primarily plastics, and other non-biodegradable materials. The event was a success, showcasing the power of collective action for a cleaner and safer environment. It helped restore the beach's natural beauty and highlighted the importance of keeping public spaces clean. Participants also created posters and spread messages about reducing plastic use and conserving nature. The event fostered teamwork, environmental responsibility, and a sense of pride in contributing to a greener planet. Overall, it was a meaningful and impactful event that inspired everyone to continue making a difference.

Despite the challenges, the students' enthusiasm and dedication made the event a great success. The team focused on cleaning the beach to restore its natural beauty and promote environmental awareness
