**Description**

The Case Study Competition, held on 20<sup>th</sup> August 2024, challenged participants to tackle a simulated scenario involving a fictional “ Olympics Federation.” Teams were required to analyze a sudden crisis within the federation and present strategic solutions balancing budget constraints, public relations, and global expectations. The simulation pushed participants to think critically, collaborate effectively, and present under pressure. Innovative and practical solutions emerged as outcomes, making this event a powerful exercise in decision-making and problem-solving—true to the Rotaract Club’s mission of developing leadership through experience.
