### DESIGN FOR CHANGE

**Date:** 25<sup>th</sup> August , 2024

**Venue:** Online

**No. of Participants:**24

#### Description

In this event, participants were encouraged to design innovative, environment-friendly themes in collaboration with ConnectFor. They likely brainstormed ideas on waste reduction, conservation, and sustainability, creating visual and actionable designs. The atmosphere was energetic, with a strong sense of purpose as students came together to address pressing environmental concerns. They probably learned teamwork, improved design thinking, and developed a deeper understanding of eco-friendly practices. The resulting ideas could later be implemented in their communities, making a meaningful, long-lasting impact. The event inspired participants to imagine a cleaner, greener future and contribute to making it a reality, one design at a time.
