Date: 30th August, 2024

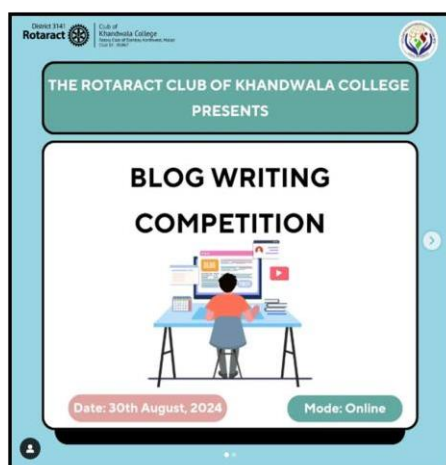

Venue: Online

No. of Participants:44

Description

Organized by the Rotaract Club of Khandwala, this event challenged students to write a blog on a surprise topic given during the session. Despite the spontaneous nature of the task, students showcased strong writing skills, presenting well-structured and thoughtful pieces. The focus was on quality, originality, and authentic expression rather than quantity. The Editorial and Digital Communication teams ensured smooth execution with compelling visuals and clear communication. Awarded 1 hour of co-curricular credit, the event pushed students to tap into their creative and analytical thinking, helping them discover their potential and prepare for real-world writing scenarios. It aligned with the NEP's goal of using co-curriculars to develop essential life skills through engaging, skill-building opportunities.
