

**Rotaract Club of Khandwala**

Organizes

**BEACH CLEANUP**

**Date:** 18<sup>th</sup> September, 2024

**Venue:** Juhu Beach

**No. of Participants:** 20

**Description**

The Rotaract Club of Khandwala conducted a Beach Cleaning Drive on September 18, 2024, at Juhu Beach at 7:00 AM, following the Ganpati Visarjan festivities. The drive aimed to restore the natural beauty of the beach by clearing the remains of visarjan materials and plastic waste, contributing to a cleaner and healthier environment. Supported by the Club's Community Service the event emphasized the importance of sustainability and environmental responsibility. Rotaractors enthusiastically gathered to remove debris, segregate waste, and spread awareness about the long-term impact of pollution on marine life and coastal ecosystems. The drive made a noticeable difference in reducing post-festival waste and inspired participants to advocate for eco-friendly celebrations in the future. It left a lasting impact by promoting cleanliness, responsible celebration, and the importance of protecting our natural spaces.
