## **BEACH BLITZ 3141: MEGA BEACH CLEAN-UP DRIVE**

**Date:** 21<sup>st</sup> September, 2024

**Venue:** Girgaon Chowpatty

**No. of Participants:** 20

### **Description**

District 3141 Beach Cleanup Drive was a collaborative environmental initiative organized by Rotaract Mumbai in partnership with RCK (Rotaract Club of Khandwala College) volunteers. The event brought together passionate individuals united by a shared goal: to protect our coastal environment and promote sustainability. Volunteers gathered early at the designated beach location, equipped with gloves, bags, and tools to collect plastic waste, debris, and other pollutants. The cleanup not only made a visible impact on the shoreline but also raised awareness about the importance of reducing marine pollution. It also fostered teamwork, civic responsibility, and environmental consciousness among all participants. Through their collective efforts, volunteers contributed to a cleaner, healthier ecosystem and set an inspiring example for others to follow.
