Organizes

TRIBUTE TO VISIONARY

Date: 14th November,2024

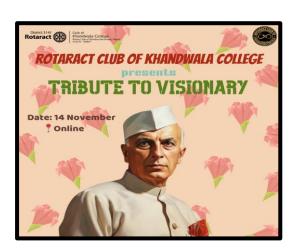

Venue: Online

No. of Participants: 19

Description

To honor the legacy of Jawaharlal Nehru, the Rotaract Club of Khandwala organized a creative online event on 14th November 2024, inviting participants to craft origami roses as a tribute to Nehru's ideals of unity and progress. Coordinated by the Editorials and Digital Communication Department, the event involved setting up a smooth submission process, sharing clear instructions, offering origami tips, and managing participant entries, with all submissions due by 6 PM on 15th November. This hands-on activity not only encouraged artistic expression but also offered participants a meaningful way to connect with Nehru's vision. The event granted 2 hours of credit to participants and received positive feedback, with many finding the process engaging, accessible, and deeply reflective of Nehru's values. Overall, the initiative successfully promoted creativity, unity, and a renewed appreciation for one of India's most respected leaders.
