### **FAN-TASTIC JOURNAL**

Date: 21st November, 2024

Venue: Online

No. of Participants: 16

**Description** 

The "Fan-tastic Journal" event, organized by the Rotaract Club of Khandwala College, aimed to provide students with a platform to creatively express their admiration for a celebrity by designing a personalized journal. As part of the groundwork, the Editorials and Digital Communication teams collaborated to craft engaging messages and visually appealing posters, enhancing the event's overall reach and impact. Through this activity, students had the opportunity to combine research, creativity, and digital literacy by compiling facts, visuals, and personal reflections about their chosen celebrity. This not only enhanced creative thinking but also helped participants develop technical competencies. The online format made participation easy and inclusive, and feedback highlighted students' enjoyment of the activity, noting its simplicity and the freedom it offered to engage deeply with a topic they were passionate about. Overall, the event served as a meaningful exercise in self-expression, learning, and skill development.
