**PICTOMANIA**

**Date:** 3<sup>rd</sup> December, 2024

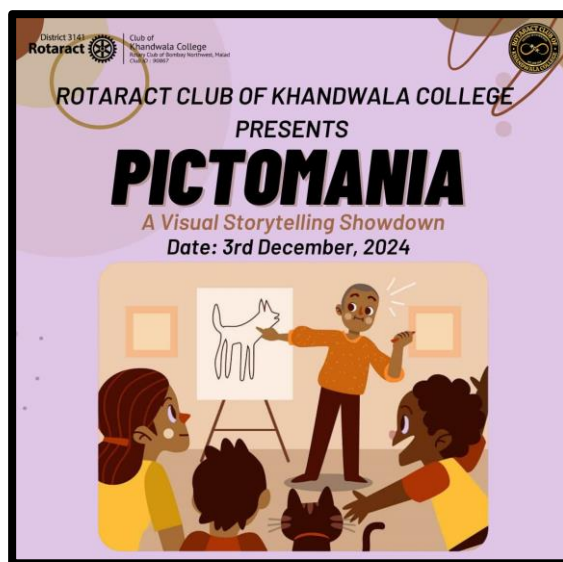

**Venue:** 407, Law Building, College

**No. of Participants:** 31

**Description**

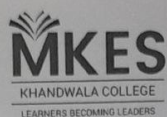

Pictomania was a storytelling event with a twist—it relied solely on visual cues through a Pictionary-style format. Participants had to convey an entire story using images, symbols, and illustrations without the use of direct text. This encouraged a shift from verbal to visual thinking, enhancing participants' skills in visual literacy, non-verbal communication, and creative expression. The event also fostered quick thinking and collaboration, as participants interpreted and created stories under time-bound constraints.
