PIXEL PERFECT VISION

Date: 5th December, 2024

Venue: Online

No. of Participants: 43

Description

In Pixel Perfect Vision, participants created digital mood boards representing their aspirations, goals, and inspirations for the upcoming year. The mood board acted as a digital vision board that visually mapped out what they wanted to achieve, feel, or manifest in the future. The event combined elements of self-reflection, creative visualization, and digital design. It helped participants explore goal-setting techniques, aesthetic design principles, and the therapeutic power of visual planning.
