THE INDUSTRIAL INSIGHTS

Date: 9th December , 2024

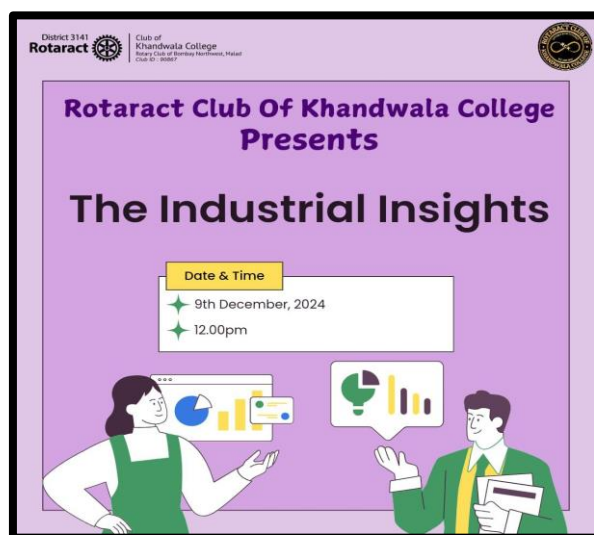

Venue: 404, Self Finance Building, College

No. of Participants: 39

Description

“Industrial Insights,” focused on real-world application and industry understanding. Each participant had to select one industry of their choice and analyze its finance and marketing strategies, eventually presenting their findings. This event bridged academic learning with practical exposure, encouraging participants to delve deep into how different sectors operate. Whether it was automobiles, fashion, FMCG, or tech—each presentation brought forward valuable perspectives on budgeting, revenue models, advertising campaigns, and market trends. It was a rewarding experience that enhanced research, teamwork, and communication skills.
