ROAD CLEANING DRIVE

Date: 18th & 19th December, 2024

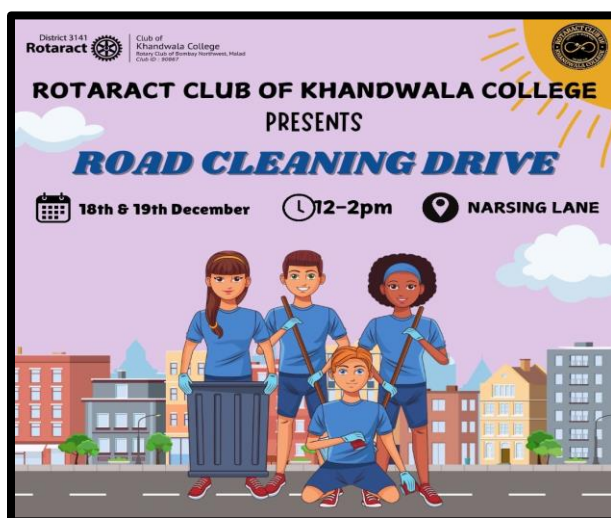

Venue: Narsing Lane

No. of Participants: 45

Description

The Rotaract Club of Khandwala organized a Road Cleaning Drive on December 18 and 19, 2024, at Narsing Lane, near the college campus. The initiative aimed to promote cleanliness, hygiene, and a sense of civic responsibility by addressing the issue of litter and waste accumulation in the area. With active support from the Club's Community Service, the drive successfully mobilized volunteers to clean the roads, collect garbage, and spread awareness about maintaining a clean public space. Participants worked diligently, ensuring the streets were free of debris and promoting the importance of responsible waste disposal. It empowered students to take ownership of their surroundings and inspired them to encourage others to contribute towards creating a cleaner, healthier neighborhood. The drive reinforced the belief that small, consistent efforts can lead to meaningful change.
