

Rotaract Club of Khandwala

Organizes

ROTO FEST

Date: 13th December, 2024

Venue: Vivek College Of Commerce, Goregaon

No. of Participants: 4

Description

ROTO-FEST was a thrilling inter-college debate competition that gave students a platform to voice their opinions and engage in healthy intellectual combat. Representing our college, participants debated on diverse topics, showcasing confidence, critical thinking, and persuasive speaking. The event not only fostered public speaking and reasoning skills but also cultivated camaraderie and competitive spirit across Rotaract clubs. It stood out as a highlight event for the month—bringing energy, engagement, and learning in equal measure.

Photographs

The event was Vivek College's first intercollege event of Rotaract club where students from different colleges competed in a drilling debate competition. The topics given were amazing thought-provoking and initiated conversation to help build intellect.

Participants were highly grateful for it helped them understand so many different perspectives on various topics like social media, AI and even broader social issues. Also the JT. BOD won the best speaker award.
