KITES OF HOPE

Date: 12th & 13th January, 2025

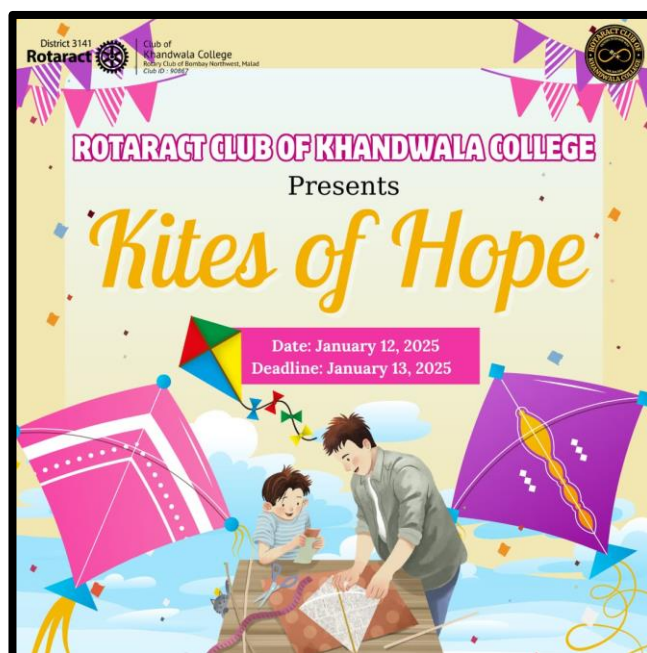

Venue: Online

No. of Participants: 5

Description

Kites of Hope was a unique community outreach initiative where participants made handmade kites and distributed them among underprivileged children, also teaching them how to fly them. This event combined creativity with compassion, giving participants a chance to experience the joy of giving. It instilled values of social responsibility, teamwork, and the power of small acts to bring happiness. The activity fostered empathy, civic engagement, and hands-on interaction with the community.
