### **DISTRIBUTION DRIVE**

Date: 26th January, 2025 Venue: Narsing Lane No. of Participants: 6

**Description** 

The Rotaract Club of Khandwala (RCK) carried out a compassionate outreach by distributing reusable water bottles to underprivileged individuals and extending support to victims of the Goregaon fire accident. Members actively participated by visiting local communities to provide bottles, promoting both hygiene and sustainability. They then reached the fire-affected area in Goregaon, where they offered emotional support and essential aid to families impacted by the tragedy. This initiative reflected the club's strong commitment to community welfare, showing empathy and unity in times of both need and crisis.
