Summary: The internship drive received an enthusiastic response, with 100 students from both second-year and third-year classes applying for various internship opportunities. The interviews were conducted at the company's head office, where students got the chance to interact with the recruitment team and showcase their skills and interests. The internship offers different job roles across departments, providing students with valuable industry exposure and hands-on learning experience. This collaboration marks a great opportunity for students to gain practical knowledge and understand the professional environment.
