About IQAC

IQAC was established in June, 2002. IQAC of the College is instrumental in maintaining the quality through its various initiatives. Considerable efforts are put by IQAC to ensure an environment of excellence in all aspects of teaching and learning. The focus is also given to improve the quality of education and evaluation. The prime focus is to develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution and to promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

About The Workshop

Social Science Research is a field which has always grabbed attention from the academicians and industrialists. Though all interested people attempt to undertake research in an area of social science, they lack proper understanding of the basic processes and get stuck in between. The workshop aims at bridging the gap between researchers and knowledge of social science research methodology right from the identification of the problem to presentation of the report.
