REPORT ON BEACH CLEAN UP DRIVE

Date : 29th September 2023

Time : 6am

Venue : Juhu Chowpatty Beach, Andheri West, Mumbai, Maharashtra.

We had a beach clean-up day on 29th September at Juhu Beach. The students of N- Kare social Cell of Nagindas Khandwala College, where our all committee, came together to clean up the beach. We collected a lot of trash, like plastic, glass, and metal, making the beach much cleaner.

This event also taught everyone about the problem of trash in our oceans. We want to keep doing this to keep our beaches clean and protect the environment. It shows that when we all work together, we can make a big difference in taking care of our coastlines.
