BEACH CLEAN – UP DRIVE

Date : 18th September 2024

Time : 7am

Venue : Juhu Beach

The Beach Cleanup organized by NKARE Social Cell after the Ganpati Visarjan at Juhu Beach was a highly successful initiative. The event aimed to clean the beach and remove the waste left behind during the festivities. A large group of students participated in the drive, working together to collect various types of waste, primarily plastics, and other non-biodegradable materials.

Despite the challenges, the students' enthusiasm and dedication made the event a great success. The team focused on cleaning the beach to restore its natural beauty and promote environmental awareness.
