This report summarizes NKARE SOCIAL CELL visit Caring Hands (Social Trust) on 22/12/2023. A group of 16 students, embarked on this journey with the aim of gaining insights into the lives of orphaned children and providing them with support and companionship.

We had the opportunity to interact with the children, who were eager to engage with us. We organized a range of activities, including games, singing and gift distribution, which helped create a joyful atmosphere. Along with that we have donated home cleaning items to orphanage.

It reinforced the significance of community engagement and the positive influence it can have on the lives of those in need. We are committed to continuing our efforts to make a difference and encourage others to join in this endeavor.
