Date: 26/08/2023

Venue: Khandwala College

No. of Participants: 19

Description:

The Kids' Creativity Event was a heart-warming initiative where our members spent quality time with underprivileged children from the Junoon Foundation. The session was filled with joy, laughter, and creativity as members guided the kids through various fun craft activities. It wasn't just about making art—it was about building connections, spreading smiles, and making the kids feel seen and celebrated. Moments like these truly remind us why service lies at the heart of everything we do.
